HPE Enterprise LCD Consoles

HPE LCD8500 1U INTL Rackmount Console Kit (AF644A)

Overview

Need a console with the latest in KVM technology to manage the servers in your rack?

Knowledge is power – know what's going on right at the rack with the HPE Enterprise LCD Consoles. HPE Enterprise LCD Consoles provides a high-performance display panel and keyboard with touch pad in a 1U form factor. The 1U rackmount form factor allows for a KVM console switch to be mounted directly behind it. The HPE LCD8500 with 18.5-inch WXGA TFT LCD Brightview display supports most common video resolutions, up to 1600 x 1200 at 60 to 75 Hz refresh rates. The LCD8500 features a silver enclosure making identification in the rack easier. The integrated keyboard includes a three-button touch pad with four (4) scroll keys and Windows shortcut keys. Also included, is a new Lid Switch display management feature that shuts off the display backlight when the console is closed and repowers to its current state when opened again, helping to prolong the life of the display panel.

Features

Ultra-Dense, High-Performance KVM Console Display and Keyboard

HPE Enterprise LCD Consoles combine the rack display panel and keyboard with touch pad in a 1U form factor that allows you to mount a KVM console switch directly behind it saving you space.

Features an 18.5-inch WXGA TFT LCD Brightview display that supports most common video resolutions, from 800 x 600 through 1600 x 1200 at 60 to 75 Hz refresh rates.

Active Matrix TFT LCD display guarantees a flicker-free picture that is sharper in focus than a CRT monitor.

Includes two (2) front side USB pass-through ports for use with KVM Console Switches that support virtual media.

Advanced, Ergonomic Design

Features a silver colored enclosure making identification in the rack much easier.

Includes a three-button touch pad, four (4) scroll keys, and Windows shortcut keys.

Lid Switch display management feature shuts off the display backlight when the console is closed and repowers to its current state when opened again, helping to prolong the life of the display panel.

Tool-less rails for rack installation are included with each console kit allowing for quick and easy installation within minutes.

Technical specifications	HPE LCD8500 1U INTL Rackmount Console Kit
Product Number	AF644A
Display type	LCD
Display size (diagonal)	18.51 in. digital display
Display port available	Yes
Resolution (maximum)	1600 x 1200 @ 60 Hz Refresh Rate
Rack size	1U (includes display and keyboard)
Pointing device	Three-button touch pad with four (4) scroll keys
Supported refresh rates	60 to 75 Hz
Location discovery services compatible	Yes
Warranty	Three year Limited Warranty for parts only

HPE Services

No matter where you are in your transformation journey, you can count on HPE Services to deliver the expertise you need when, where and how you need it. From strategy and planning to deployment, ongoing operations and beyond, our experts can help you realize your digital ambitions.

Advisory & Professional services

Experts can help you map out your path to hybrid cloud and optimize your operations.

Managed services

HPE runs your IT operations, giving you unified control, so can focus on innovation.

Support services

Optimize your entire IT environment and drive innovation. Manage day-to-day IT operational tasks while freeing up valuable time and resources.

— **HPE Complete Care Service:** a modular service designed to help optimize your entire IT environment and achieve agreed upon IT outcomes and business goals. All delivered by an assigned team of HPE experts.

— **HPE Tech Care Service:** the operational service experience for HPE products. The service provides access to product specific experts, an AI driven digital experience, and general technical guidance to help reduce risk and search for ways to do things better.

— **HPE Multivendor Services:** Single point of accountability for managing on-site hardware and software support for multivendor products. HPE experts help manage your IT across technologies and platforms for HPE and non-HPE technologies, acting as the single point of contact for your IT operational needs.

Lifecycle Services

Address your specific IT deployment project needs with tailored project management and deployment services.

HPE Education Services

Training and certification designed for IT and business professionals across all industries. Create learning paths to expand proficiency in a specific subject. Schedule training in a way that works best for your business with flexible continuous learning options

Defective Media Retention is optional and allows you to retain Disk or eligible SSD/Flash Drives replaced by HPE due to malfunction.

GreenLake

GreenLake is the cloud to run and manage your entire hybrid landscape—private, public, and edge. It helps you to:

— Streamline IT Operations across compute, storage, and networking without the chaos

— Unify and secure data, as you move faster

— Accelerate AI, from pilot to production

The result: greater operational efficiency, lower TCO, and faster AI delivery—all from one unified, intelligent platform built for today's hybrid enterprise.
